

## [Solution] James Bold

Answer: **SPECTRA**

As clued in the title, we want to look at James Bond movies. Each line aptly describes a James Bond movie whose title has one letter changed. The movies are in chronological order to help with identification and the letters changed spell out the answer.

In which our hero is ordered to observe a bullion musician.

GOLDSINGER

G → S

In which our hero receives a golden joke with his code etched on the surface.

THE MAN WITH THE GOLDEN PUN

M → P

In which our hero meets a wealthy woman who leads a supernatural cult.

ECTOPUSSY

In which our hero aids the defect of KGB officer General Guevara.

CHE LIVING DAYLIGHTS
