

Remember, It's Not That Hard

Numbers are used to index. For example, "Soprano (6)" would give you the sixth letter, 'n'.

Remember, oppressive yucky green bread is vile. (5)

My voracious elephant mauled Jennifer's sandbag until noon. (4)

Puzzles elegantly mask devious answers somewhere. (3)

Flip-flops are notoriously bad objects, yo. (3)

Sandwiches often have cheese and ham to open appetite. (6)

Kangaroos plummet. Crabs or frogs gravitate skyward. (4)
